

Make One Head Office

Due to the rapid success and natural growth of the company we have outgrown our current office and are planning an exciting move to a building of our own.

We will be celebrating this milestone with an office warming party, dates & details to be confirmed

KOKO UPDATE

KOKO

We are nearing completion of this beautiful landmark project & we were proud to see it recently featured in Vogue Magazine, The Financial Times, Rolling Stone, Evening Standard, NME & Music week.

The BBC have also been on site filming, for the employer's media campaign, once this is fully underway, we will also be releasing our own images of the completed areas and will finally be able to unveil our incredible team's work.

Make One Updates

204 Great Portland Street, now at basement formation stage, handover scheduled for late Autumn 2023.

Orion House, construction of 28 apartments now at reinstatement stage. This project is scheduled for handover late Autumn 2022.

COVID-19 UPDATE

Health & safety being a constant priority, we are closely monitoring the global situation and updating our stance accordingly.

We are proud of our team and their steadfast work ethic, during this unprecedented time.
